

Design: Jac Jacobsen
Luxo L-1 is the original architect's luminaire, designed by Norwegian industrialist Jac Jacobsen. Manufacturing started in 1937 under the name Luxo, derived from Latin – I give light. L-1 soon became known as a real productivity booster in schools, offices, industrial plants and health care facilities, and a design icon among architects and designers all over the world.

If the external flexible cable or cord of this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.

Si le câble ou le fil flexible externe de ce luminaire est endommagé, seuls le fabricant, son agent ou un technicien approuvé par l'usine sont autorisés à le remplacer afin d'éviter tout danger.

Si el exterior del cable flexible o el cable de esta lampara está dañado, se sustituye exclusivamente por el fabricante, su agente de servicio o similar persona cualificada con el fin de evitar un peligro.

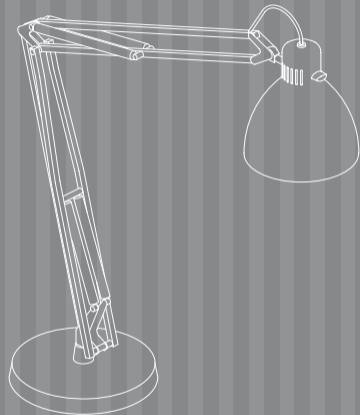

Hvis lampens ledning beskadiges, må den kun erstattes af producent, forhandler eller autoriseret personer for at undgå fare.

Om lampans ledning skadas skall den ersättas av producent eller av autoriserad person för att undgå fara.
